# Community Improvement Plan (CIP)

Double your investment.

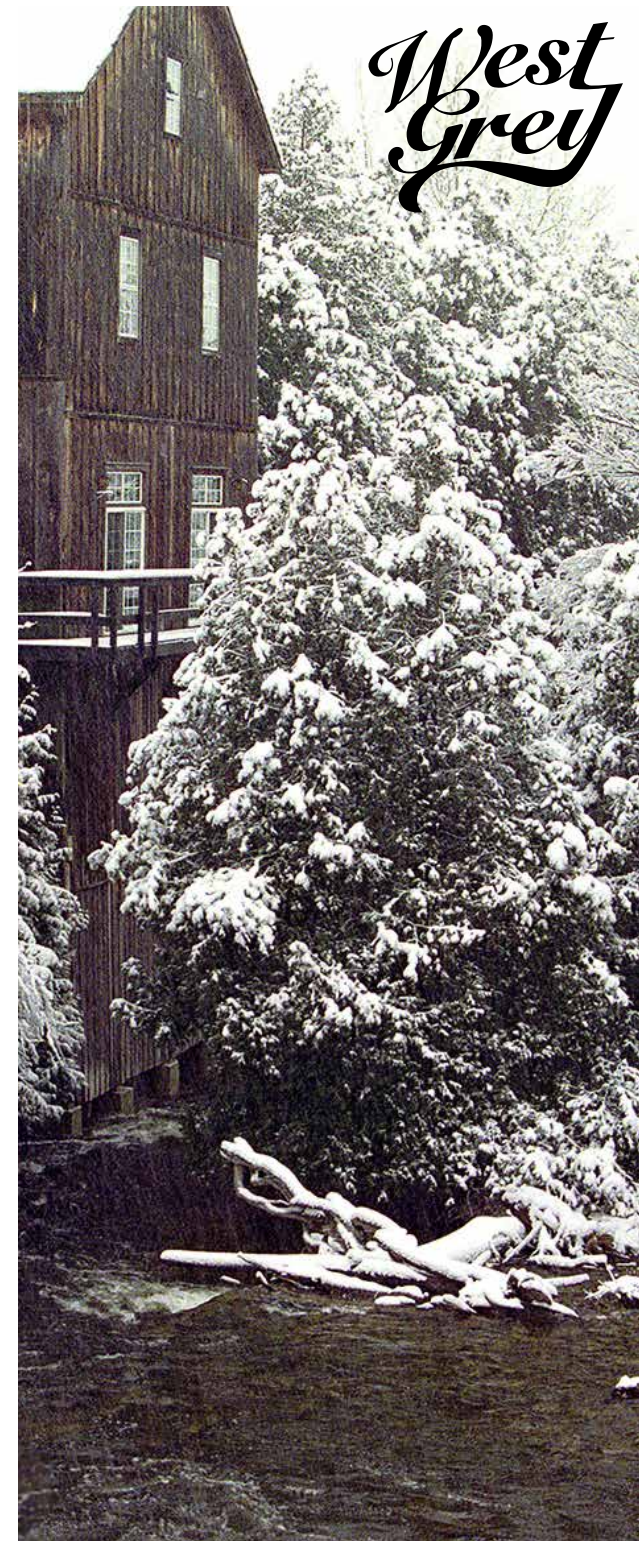

The Municipality of West Grey is now accepting applications to the Community Improvement Plan. The plan opens the door for any West Grey business to access a grant matching program aimed to help improve facades, accessibility and/or help fund building expansions.

Need a new storefront sign? Want to build a ramp into your business? Got plans for an expansion? Ready to grow? This plan is for you.

In 2021, \$140,000 is available in the CIP program through the municipality's economic development budget and a Grey County grant of \$40,000. With the investment of our businesses, the \$140,000 will represent a minimum of \$280,000 invested in our economy.

This is a first-come first-serve program, so be sure to apply today.

Applications at [westgrey.com/CIP](http://westgrey.com/CIP)
